MYSORE CITY MUNICIPALITY.

Notice dated 1st June 1928.

Bye-law 24 of the Octroi Bye-laws as amended and schedule of taxes relating to sugar and jaggery as revised, sanctioned in Government Proceedings No. L. 8197--Ml. 305-27-2, dated 15th May 1928, are hereby published for general information. These bye-laws as amended and the schedule of taxes as revised will come into force from 1st July 1928.

Bye-law 24 of the Octroi Bye-laws as amended and schedule of taxes as revised.

1. Proviso to Bye-law 24 of the Octroi Bye-laws to be amended as follows :—

"Provided that no refund shall be granted—

(1) on kerosene oil,
(2) on sugar
(3) on jaggery and
(4) of any sum less than one rupee."

2. In the schedule of taxes against sugar and jaggery, in 5 octroi (3) 0-1-6 to be inserted in place of 0-4-0 and in 5 octroi (4) 0-1-0 to be inserted in place of 0-2-0.

Notice dated 1st June 1928.

Bye-laws framed under Section 95A of the Mysore Municipal Regulation VII of 1906, as amended from time to time, for the design to be adopted and the materials to be used for the construction of rat-proof warehouses for storing grains and sanctioned in Government Order No. L. 8249 —Ml. 5-27-46, dated 17th May 1928, are hereby published for general information. These bye-laws will come into force from 1st July 1928.

Bye-laws for the design to be adopted and materials to be used for the construction of rat-proof warehouses for storing grains.

1. The foundation and basement of the structure shall be of either burnt brick in mortar or size stone in mortar and the joints pointed with cement in case of the latter. The depth of the foundation should go down to three feet lower than the adjoining road level.

2. Burnt stone slabs shall be used over basement alround before superstructure is begun.

3. All openings in the wall below three feet from the floor level shall be covered with iron gratings or thick wire-gauze.

4. The superstructure shall be in brick in mortar.

5. The flooring shall be either of Cuddapa slabs or burnt stone slabs laid on three inches of concrete and joints pointed with cement.

6. The height of the walls alround should be lined with Cuddapa slabs to a depth of 1½ feet from the floor level.

7. The roofing shall be of pukka terrace or zinc sheet with cornicaes.

T. G. RAMA IYER,
President.

TUMKUR DISTRICT.

Notification No. G. C. 776—27-28, dated 11th June 1928.

The Government having in their letter No. C. 53-69, dated the 6th instant, directed that the right to collect tolls at District Fund toll-gates may be disposed of in accordance with the revised rules relating to Provincial tolls published with Government Order No. R. 8729-40—R. M. 9-27-53, dated 15th May 1928, with effect from the official year 1928-29 and the bidders at the sale held on the 28th May 1928 not having consented to abide by the Revised Rules, it is notified for the information of the public that the sale held at Sira on the 28th May 1928 under the old rules in respect of the collection of tolls at the Bukkapatna and Thogarikunte District Fund toll-gates is hereby cancelled and that the right to collect tolls at these gates will be resold at the Sira Taluk Office on the 22nd instant.

The changes effected in the rules have been notified in the *Mysore Gazette* of the 24th May 1928.

K. V. ANANTARAMAN,
Deputy Commissioner and President, District Board.
